

Dear Friend of the Copley Society,

December 2018

Since 1879, the Copley Society of Art has provided a platform for arts cultivation, engagement, and education. Beginning with distinguished early members such as John Singer Sargent and Winslow Homer, the Copley Society strives for excellence in its artist membership, bringing art into the community and the community into art. As arts funding decreases, your tax-deductible donation is ever more integral to the sustenance of this mission.

In 2018, the Copley Society continued its diverse programs both within and beyond its Newbury Street location.

- Named Boston's Best Art Gallery 2018 by *Boston Magazine*
- Awarded the Charles Family Residency to AnnMarie O'Dowd at the Cape Ann Museum in Gloucester
- Awarded the FAWC Residency Fellowship in Provincetown to Laura Tryon Jennings
- Awarded the \$4,000 Vose Galleries Scholarship to Tufts Art History student Joseph Semkiu
- Participated in Boston's Open Newbury Street initiative in July, August, and September
- Celebrated the 30th annual Fresh Paint Gala Auction in May
- Hosted a National Photography Show juried by Robert Klein

Like preceding generations, we hope you'll continue to honor the tradition of giving back to sustain the arts. Please consider a donation to the Copley Society. We thank you in advance.

Suzan Redgate, Executive Director
